20. Vehicle Unlocks	0	0
21. Extra Patrols	565	565
22. Training Hours Completed	16	16
23. Sick/Vacation Time Used	16	16

All the new cars are in and we will be selling the three Ford Crown Vics as soon as all the remaining police equipment is removed.

Water Ave is in need of repair. This colder than usual winter combined with the damage that was done during the sewer line installation has created several weaknesses in the pavement. The surface is pulling apart in several sections and numerous pot holes have developed. The heaviest damage extends from Elm Street to Spring Lane, especially around Weston Road. If left unrepaired the damage will undoubtedly get worse and may cost us more to repair down the road. I think we should seek bids for both a chip and seal overlay and for an asphalt overlay and review our options. Elm Springs Road and Lake Road are also starting to show their age and if we don't don't start cycling road overlays we may end up with all three major roads needing repair at the same time.
